CRUSADER

To: Starla,

Well right now I have so much to say but I don't now how to say it, I'll try my best, here it goes. I want you to know that I Appreciate you so very much, and I am so so so so so glad that we are together and that right now at this point in my life you are the most I mean the best thing that every happened to me. I want to thank you and that I love you so very much. I am happy that you are the one that I am sharing my Love with. I shouldn't say sharing because I'm not sharing I am giving, that's it, I'm giving my love to you. that is it, I Love you and there is no one else that I would want to give my Love to, no one but you and only you. You are so special to me and I care about you alot and you are a blessing to me. I thank God for you.

You know what yesterday during

Maria

Church God gave me a peace about the summer. I prayed for me and any temptation of any kind that I could overcome it, in God. I prayed for you and I prayed for <u>us</u>! After I prayed for us that is when God gave me the peace I Felt God was telling me that nothing is going to happen to us, Also as if God said that there is nothing to break the chains of love. Well I just wanted to tell you that and that my love for you is so strong that, I <u>promise</u> you, I will not do anything to hurt you. Now that the time is near for me to leave I Feel kind of scared I don't know why but I am. I just don't want nothing to happen between us and it won't We just have to pray and read the Bible. Now I don't have an excuse for not reading the Bible. thank <u>you</u> again for <u>every thing</u>. Your the best. ~~I love~~ <u>you</u> and I'll miss you <u>so much.</u>

Love Maria

Starla,

Well this year is comming to a close. You are a very special girl with many good blessings. God has richly ~~you~~ blessed you. I will miss you next year. By the way. Take care of Mario Pray for him Always be a ~~challenge~~ challeng to him and you will have him for ever.

SCHOOL BOARD

We believe ...

... the Bible is the inspired and only infallible and authoritative written Word of God.

... there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Ghost.

... in the diety of our lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years.

... in the blessed hope-the rapture of the Church at Christ's coming.

... the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.

... regeneration by the Holy Spirit is absolutely essential for personal salvation.

... the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer.

... the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.

... in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.

... in the resurrection of both saved and the lost, the one to everlasting life and the other to everlasting damnation.

Church Staff: Behind The Scenes

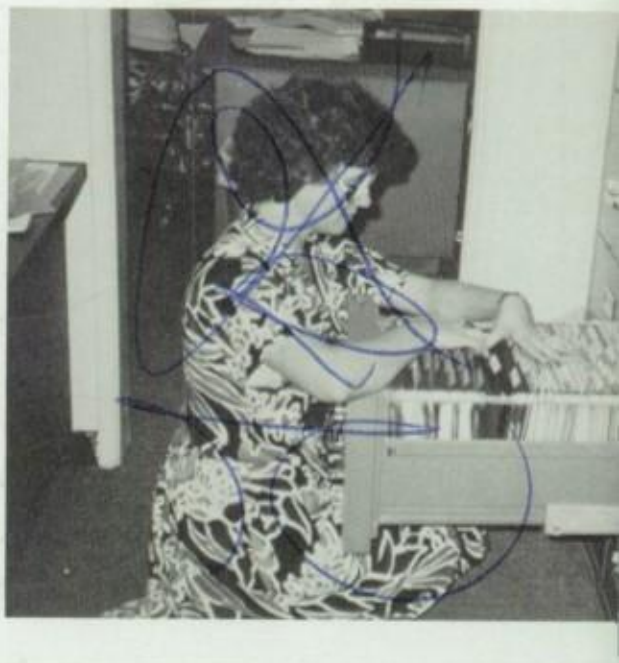
"Grace unto you, and peace, from God our father and the Lord Jesus Christ. We are bound to thank God always for you, brethren, as it is meet, because that your faith groweth exceedingly, and the charity of everyone of you all toward each other aboundeth: so that we ourselves glory in you in the churches of God for your patience in faith in all your persecutions and tribulations that ye endure,"

Above, are the pastors and church secretaries that work together to help the church run smoothly. Also support the school running the press. They work behind the scenes unappreciated for their accomplishments.

At the time the school was occupying the church, they endured more than a hundred children running around wanting to talk to them. They always stopped to say a kind word no matter how busy they were.

The pastors worked to get more youth involved in spiritual worship. Retreats, fun activities, and special speakers added a special touch to praising God.

WILMINGTON CHRISTIAN SUPPORT STAFF

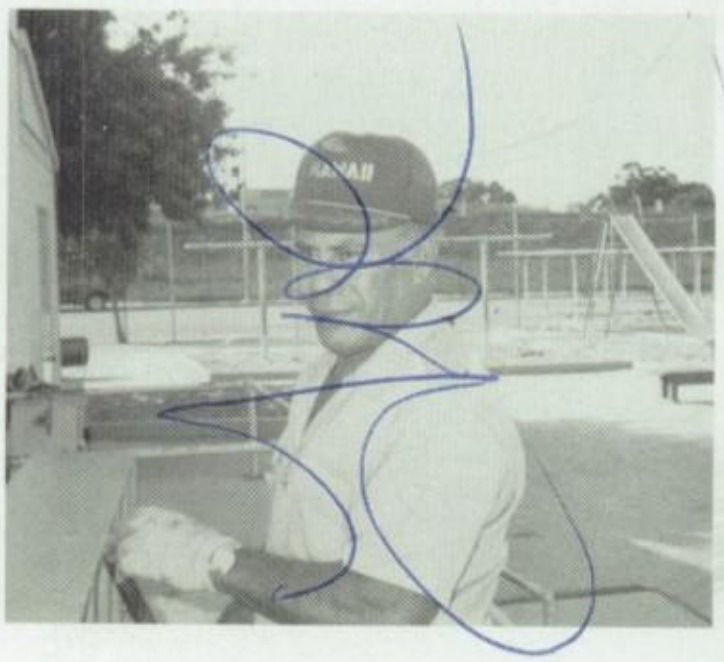


Mrs. Meadows is always hard at work at Wilmington Christian Elementary School. You can always find her typing notices, and filing the students records.

Mrs. Kizer is Wilmington Christian Elementary School secretary. Mrs. Kizer looks away from her book work and says "cheese" to the camera.

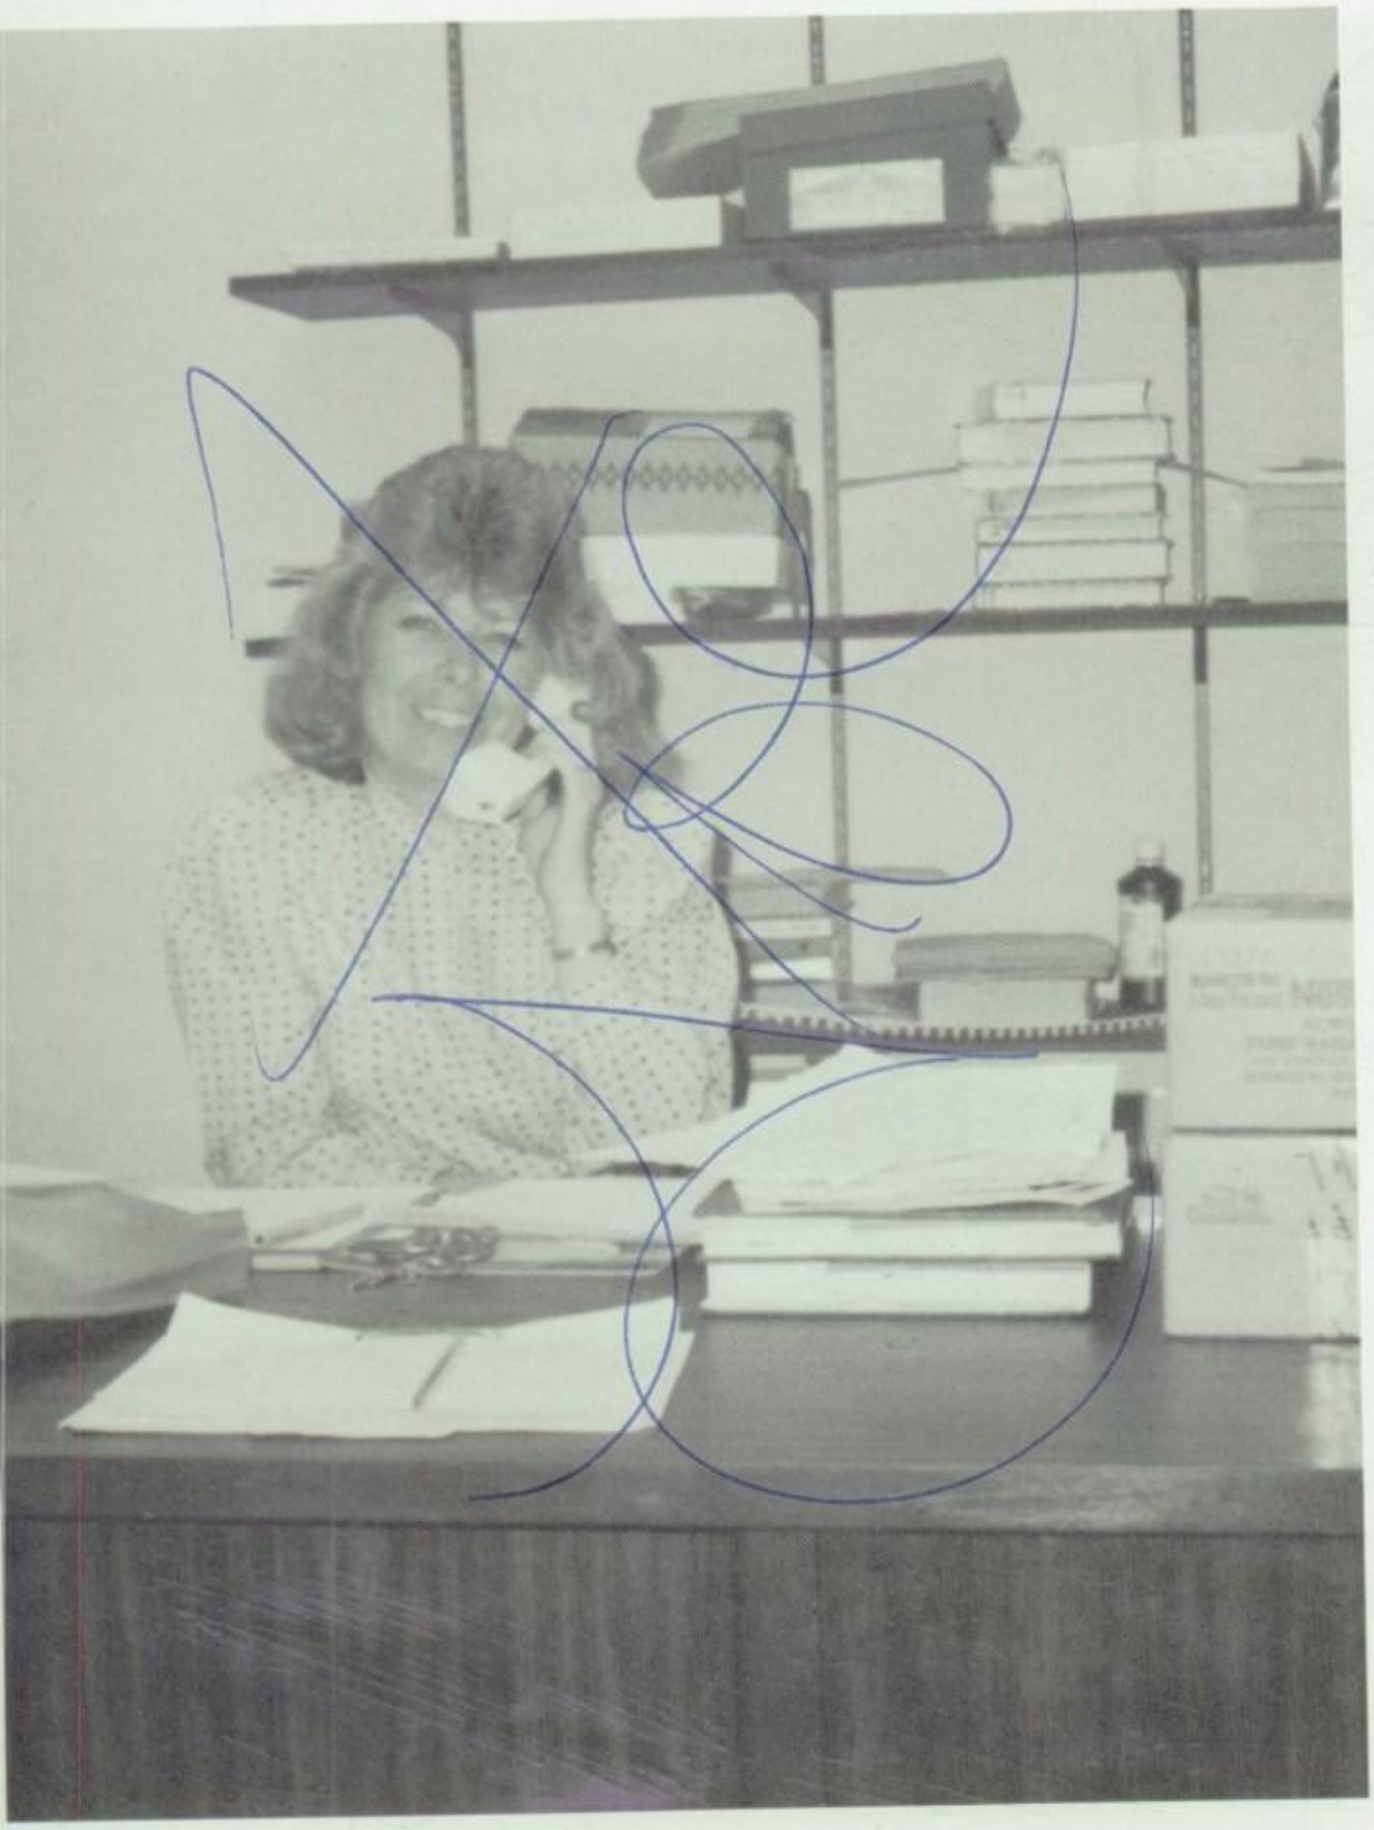
Mr. Tauaefa is Wilmington Christian School maintance man, and he is always ready when we need the school yard cleaned up, or some screws tightened.

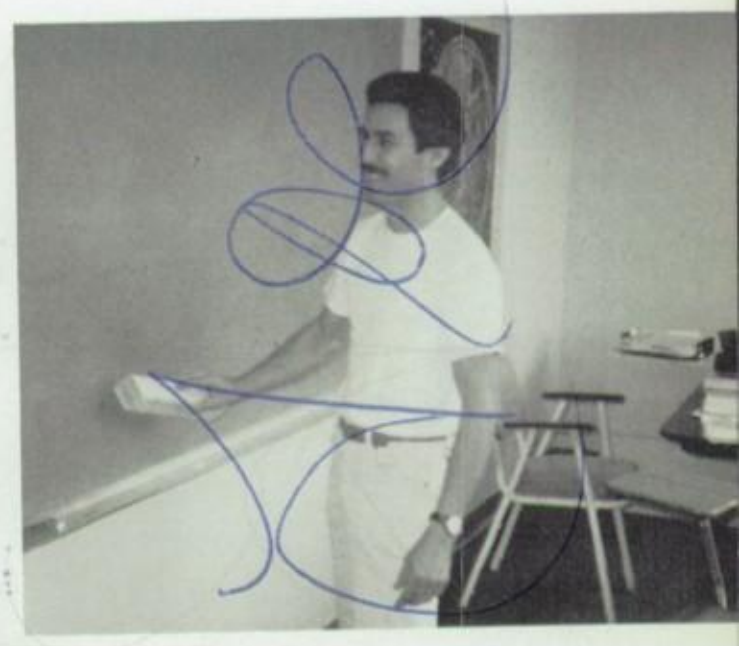
Mrs. Walker all surprised, looks at the camera as she gets ready to prepare lunch.



Above, Mrs. Richardson and Mrs. Folmer pose for the camera while they take a break from their office work to sit and mingle.

Below left, Mrs. Kight sits and smiles while on the phone taking care of school business.



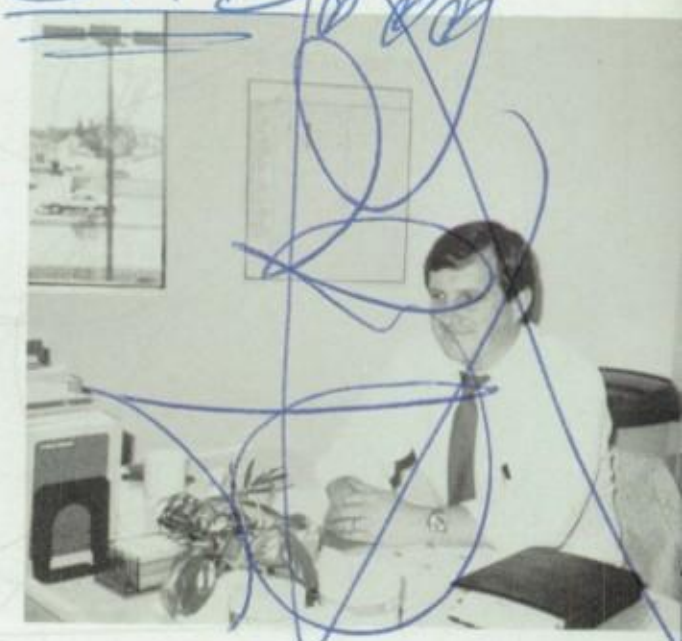


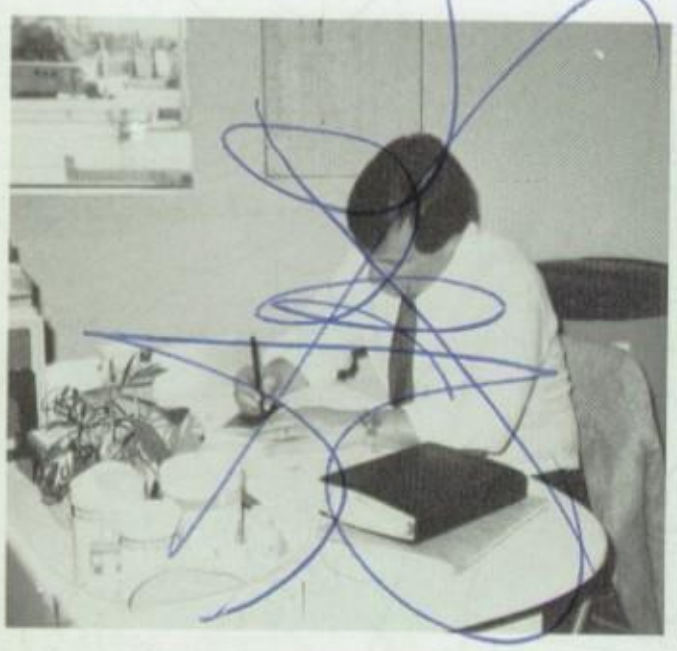
Above right, Mr. Tijerina erases the board, and laughs at the wrong answers to the math problems.

"Jesus told them, "In this world, the kings and great men order their slaves around and the slaves have no choice but to like it. But among you, the one who serves you best will be your leader." Luke 22:25-26

PRINCIPAL: A "PAL WHO STRIVES TO TAKE CARE OF BUSINESS"

A lot of dedication goes into the role of a principal. Here Mr. Wendell Meadows is shown, as most students view him, behind the desk to keep the schools high standards. However, what makes Mr. Meadows so special is the time he takes to have casual interaction with the student body.





Remember your leaders, those who spoke to you the word of God; consider the outcome of their life, and imitate their faith. Hebrews 13:7

Mr. Meadows visits the classrooms regularly to stay in close contact with the students and faculty.

SENIORITIS SO SOON. . . ?!

No matter what you tell them, juniors always insist that senioritis has hit early. If that is the case, then everyone must come down with it in kindergarten. Sometimes the junior year seems the longest. It is a never ending schedule of reports, projects and making sure you have enough credits to graduate next year. If you make it that far. You keep thinking of being left with only one year of high school and can't wait. New responsibilities have come along and there are times when you're ready to take on the world, but you can't because you're mom won't let you. Look out world, just wait until next year!!

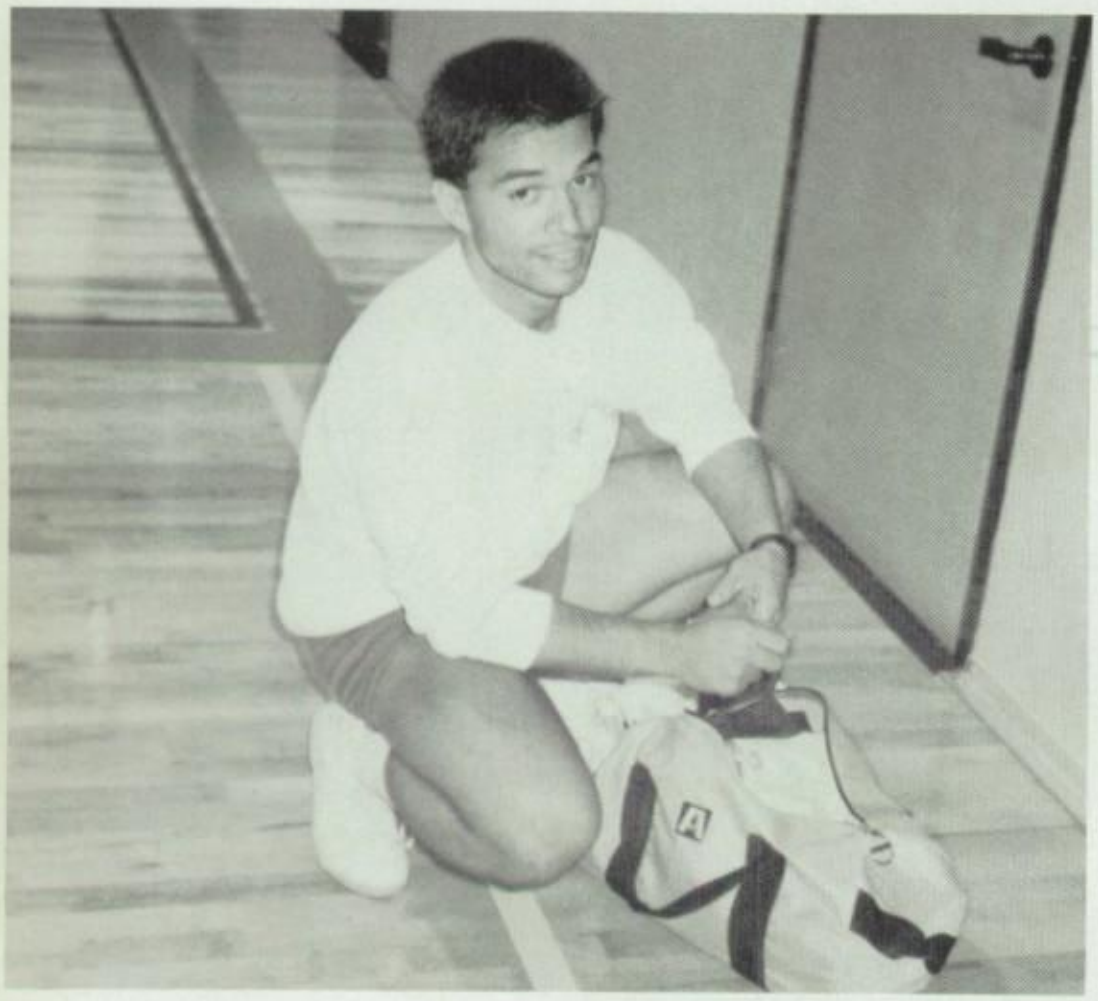
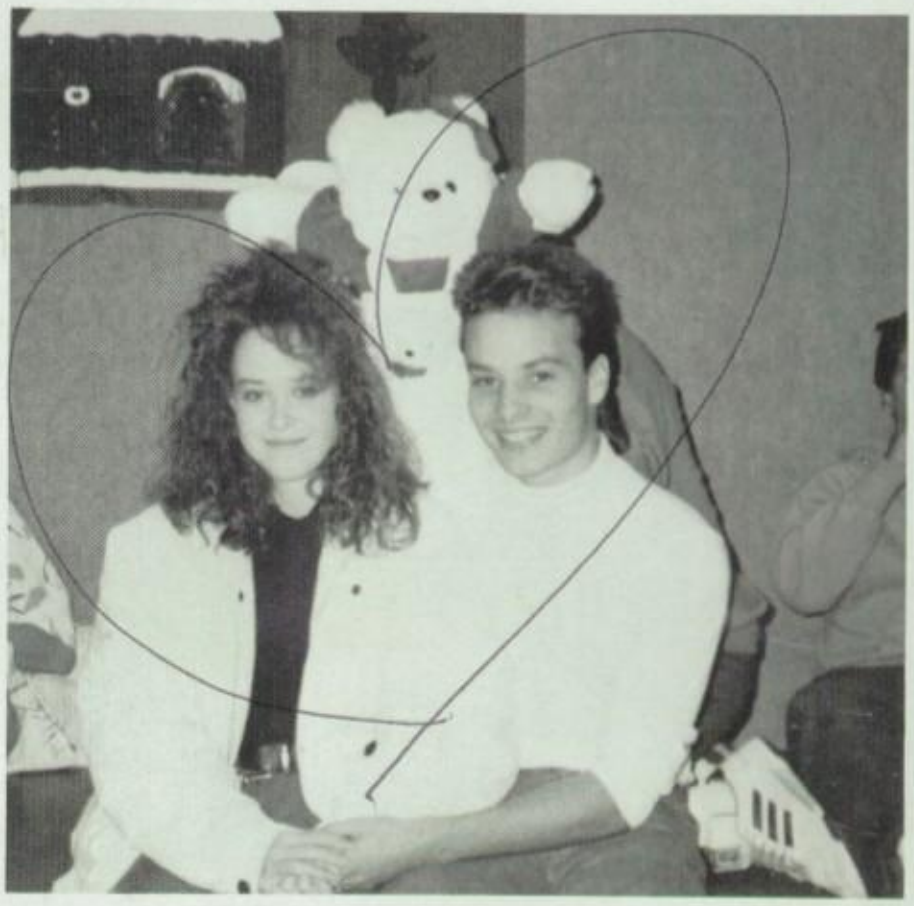
THINGS REMEMBERED





Time spent at the church seemed to go on forever, yet now it seems that it was just a passing moment!

Teachers sometimes are taken to be the bad guy, but they are always there to listen and give advice.

In spite of the pressures of the moment we found time to sit and contemplate our next move.

During school friendships are made that bring back fond memories.

Now we know what they really do in the office all day!

Mrs. Martens

Eighth graders are in the last year of junior high. They know the routine, teachers, and subjects better. They have new and better friends this year. But the worst is yet to come. They are preparing for the first year of high school. Then, things will be taken more seriously because these grades will follow them to college and beyond.

Greater love has no man than this, that a man lay down his life for his friends.

John 15:13

Shout joyfully to the Lord,
All the earth.
Serve the Lord with
gladness;
Come before Him with
joyful singing.
Know that the Lord himself
is God:
It is He who has made us,
And not we ourselves;
We are His people
And the sheep of His
pasture.

Enter His gates with
thanksgiving,
And His courts with praise.
Give thanks to Him;
Bless His name.
For the Lord is good;
His loving kindness is
everlasting,
And His faithfulness
To all generations.

SEVENTH GRADE MRS. WOODARD

To many other students,
It's just another year.
But, for the ones in seventh grade,
It may be filled with fear;
Fear of teachers, classes, grades,
Of making all new friends,
Sitting idle in the class,
When will this year end?
Then, they see their other friends
To put their minds at ease.
They talk at break, play at lunch,
Have fun, make jokes, and tease.
The year's already over,
How the weeks just flew!
I'll see you next year in eighth grade,
Fearless, ready and new.

by Keith Ren

Marco Gama and Brandon Hanson seem to be a little more relaxed in the classroom than Carrie Meadows. It looks like she got some unwanted homework.

To you, O Lord, I pray. Don't fail me, Lord for I am trusting you. Don't let my enemies succeed. Don't give them victory over me. None of those who have faith in God will ever be disgraced for trusting him. But all who harm the innocent shall be defeated.

Show me the path where I should go, O Lord; point out the right road for me to walk. Lead me; teach me; for you are the God who gives me salvation. I have no hope except in you. Overlook my youthful sins, O Lord! Look at me instead through eyes of mercy and forgiveness, through eyes of everlasting love and kindness.

The Lord is good and glad to teach the proper path to all who go astray; he will teach the ways that are right and best to those who humbly turn to him, every path he guides us on is fragrant with his lovingkindness and his truth.

Psalm 23
The Lord is my shepard;
I shall not want.
He makes me to lie down in
green pastures;
He leads me beside the still
waters.
He restores my soul;
He leads me in the paths of
righteousness
For His names sake.
Yea, though I walk through the
valley of the shadow of death,
I will fear no evil;
For You are with me.
Your rod and Your staff, they
comfort me.
You prepare a table before me in
the presence of my enemies;
You annoint my head with oil;
My cup runs over.
Surely goodness and mercy shall
follow me all the days of my
life.
And I will dwell in the house of the

We built a ship upon the stairs
All made of the back bedroom
chairs,
And filled it full of sofa pillows
To go a-sailing on the billows.

We took a saw and several nails,
And water in the nursery pails;
And Tom said, "Let us also take
An apple and a slice of cake,"-
Which was enough for Tom and
me
To go a-sailing on, till tea

We sailed along for days and
days,
And had the very best of plays;
But Tom fell out and hurt his knee,
So there was no one but me.

"The LORD reigns, he is robed in majesty; the LORD is robed in majesty and is armed with strength.
The world is firmly established; it cannot be moved.
Your throne was established long ago; you are from all eternity.
the seas have lifted up O LORD, the seas have lifted up their voice; the seas have lifted up their pounding waves.
Mightier than the thunder of the great waters, mightier than the breakers of the sea- the LORD on high is mighty.
Your statutes stand firm; holiness adorns your house for endless days, O LORD.

Psalms 93:1-5

Amanda Well shows that school is not only a time for work, but is also a time for fun and friends.

My Shadow—I have a little shadow that goes in and out with me.
And what can be the use of him is more than I can see.
He is very, very like me from the heels up to the head;
And I see him jump before me, when I jump into my bed.

The funniest thing about him is the way he likes to grow-
Not at all like proper children, which is always very slow;
For he sometimes shoots up taller like an india-rubber ball.
And he sometimes gets so little that there's none of him at all.

He hasn't got a notion of how children ought to play,
And can only make a fool of me in every sort of way.
He stays so close beside me, he's a coward you can see;
I'd think shame to stick to nursie as that shadow sticks to me!

One morning, very early, before the sun was up,
I rose and found the shining dew on every buttercup; But my lazy little shadow, like an errant sleepyhead,
Had stayed at home behind me and was fast asleep in bed.

MISS JAIME

As a kindergartener the first year of school always brings new friendships that can last a life time.

A friend loves at all times . . . Proverbs 17:17

Mrs. Hinojosa

Kindergarten

Kindergarten as the first year of school is both exciting and frightening. Meeting new people and being away from parents for the day. It brings new friends and a whole new set of experiences. Learning ABC's, addition and learning to get along with other people can be tough at times. But along with that comes fun: finger painting, recess and listening to stories told by the teacher.

Mrs. Hinojosa works hard to get things prepared for her class. She is a dedicated and hard working teacher.

"The wolf shall dwell with the lamb, and the leopard shall lie down with the kid, and the calf and the lion and the fatling together, and a little child shall lead them."Isaiah 11:6

Song

The year's at the spring
And day's at the morn;
Morning's at seven;
The hill-side's dew-pearled;
The lark's on the wing;
The snail's on the thorn;
God's in his heaven-
All's right with the world!
Robert Browning

THE FUTURE IS LOOKING GOOD

An elementary student seems to be looking around at the other students doing their projects.

John 3:16
"For God so loved the world that he gave his only begotten Son, that whoever believes in him should not perish but have ever-lasting life.

One of the teachers get in the huddle of the students that are playing football.

One of the elementary students look like she just got done with a hard day of playing on the playground.

Two friends hang out at lunch, and share a happy moment together while they pose for this picture.

The students are enjoying a story being read by their teacher, but there are a few more interested in the camera.

One of the elementary kids is putting back the hamster that he was playing with.

Miss. Jaime is lining up her kids to get ready for lunch.

The students play a tough game of football at lunch time, as Daniel is getting good blocking from his team members and is going for the touchdown.

"Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; but his delight is in the law of the Lord, and on his law he meditates day and night." PSALMS 1:1

"Blessed be the Lord, the God of Israel, who alone does wondrous things. PSALMS 72:18

"Blessed be the Lord, who daily bears us up; God is our salvation. PSALMS 68:19

"Praise the Lord. I will give thanks to the Lord with my whole heart, in the company of the upright, in the congregation. PSALMS 111:1

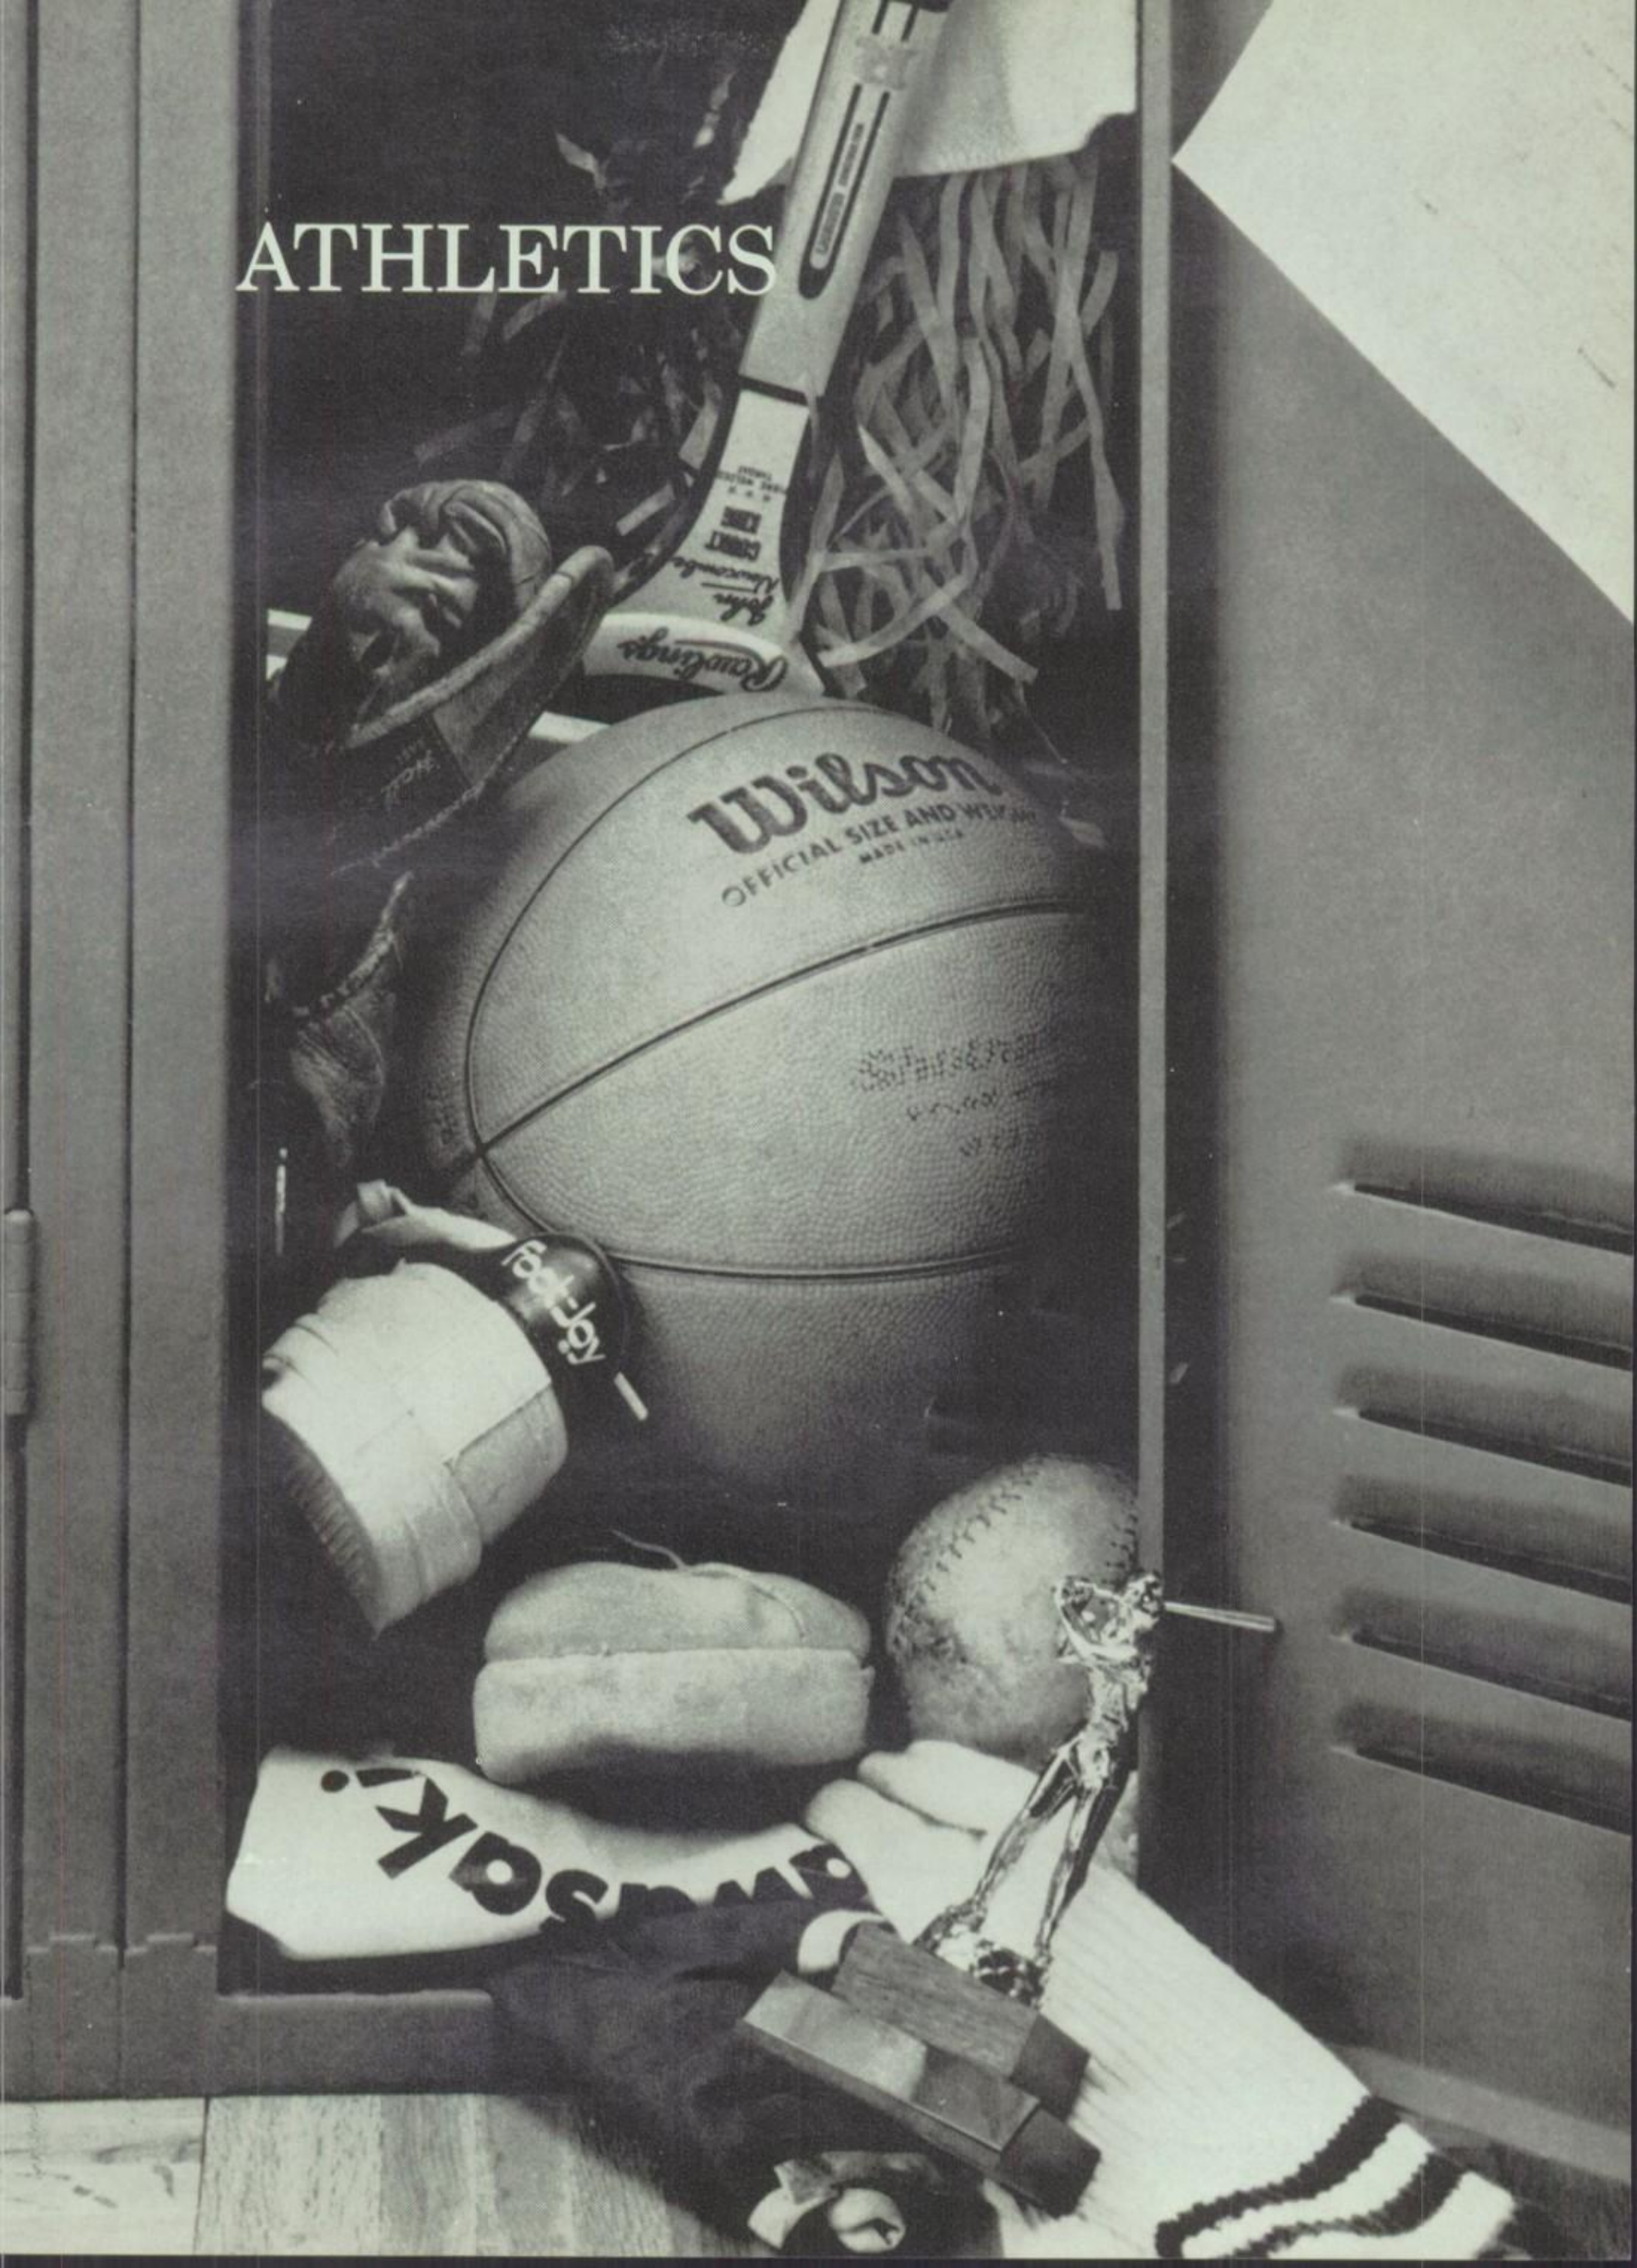
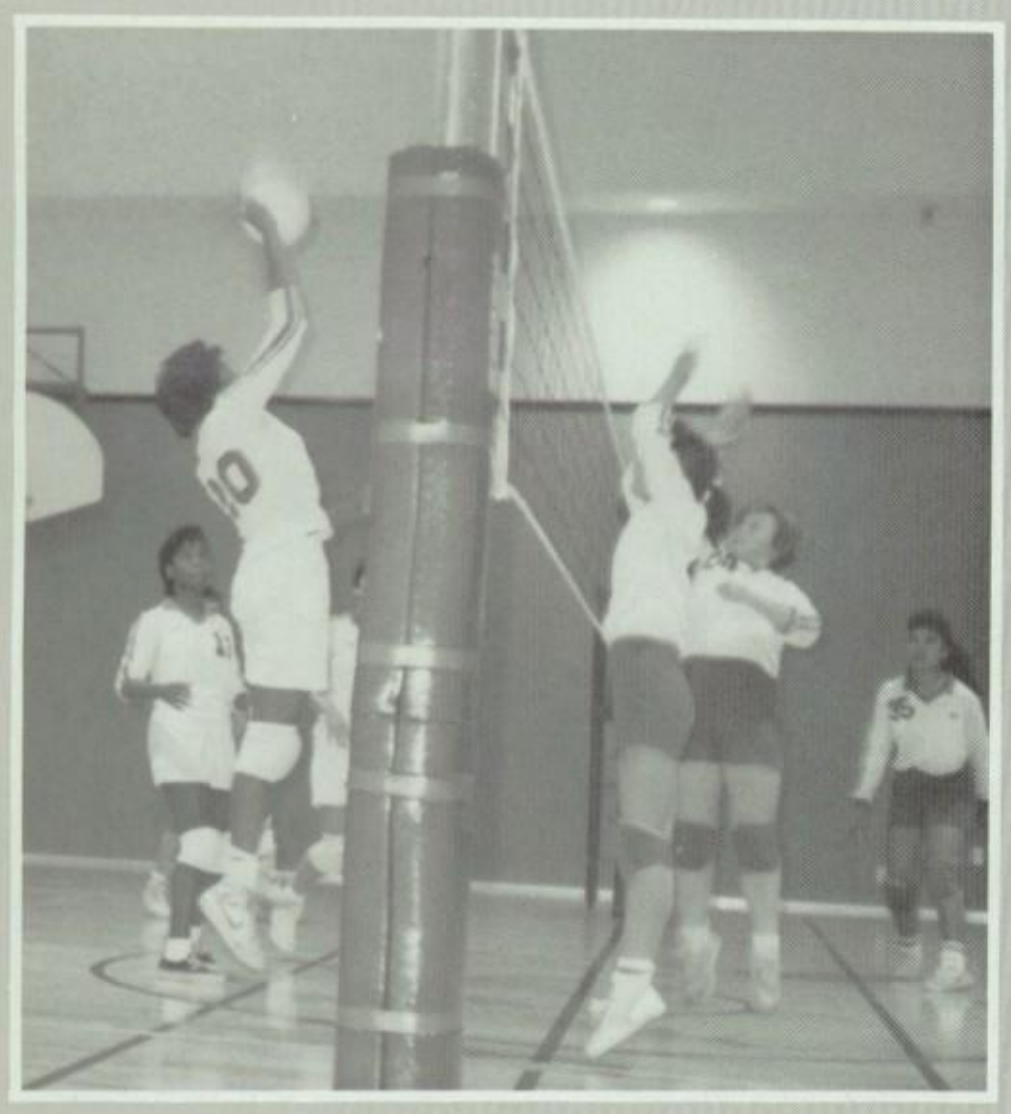
ATHLETICS



But by the grace of God I am what I am, and His grace toward me was not in vain. On the contrary, I worked harder than any of them, though it was not I, but the grace of God which is with me. I Corinthians 15:10



"Hard work and determination are two things we learned as a team this year. This is what brought us together."

A SUCCESSFUL SEASON
VOLLEYBALL

It was an exciting season for the team this year. There were returning players who improved their skills and many promising new players. The skill level of the team showed in their record of 12-3. They lost only two league games and finished in second place behind Pioneer Baptist. The first CIF playoff game was played in the new gym and it was the third year the team made the playoffs. Although they lost, the team put forth an excellent effort. Two players received first team all-league, co-captains Stacy Collins and Janine Truscott. Sheila Wimberley, who is also a co-captain, received second team all-league and Marchet Sparks received honorable mention.

L. to R. Back row: Joyce Shiffert, d'Lisa Kight, Lujuanna Washington, Marchet Sparks, Jamie Duhamel, Michelle Mitchell, Sandra Hernandez, Coach Marmelstein. Front row: Joann Howard, Janine Truscott, Stacy Collins, Sheila Wimberley, Kellie Estrada.

Joann Howard and Janine Truscott pray the ball makes it over the net.

Above: Marchet passes the ball to the setter. Left: The team takes time out to goof off, as Marchet always on top of things, has to fix her hair.

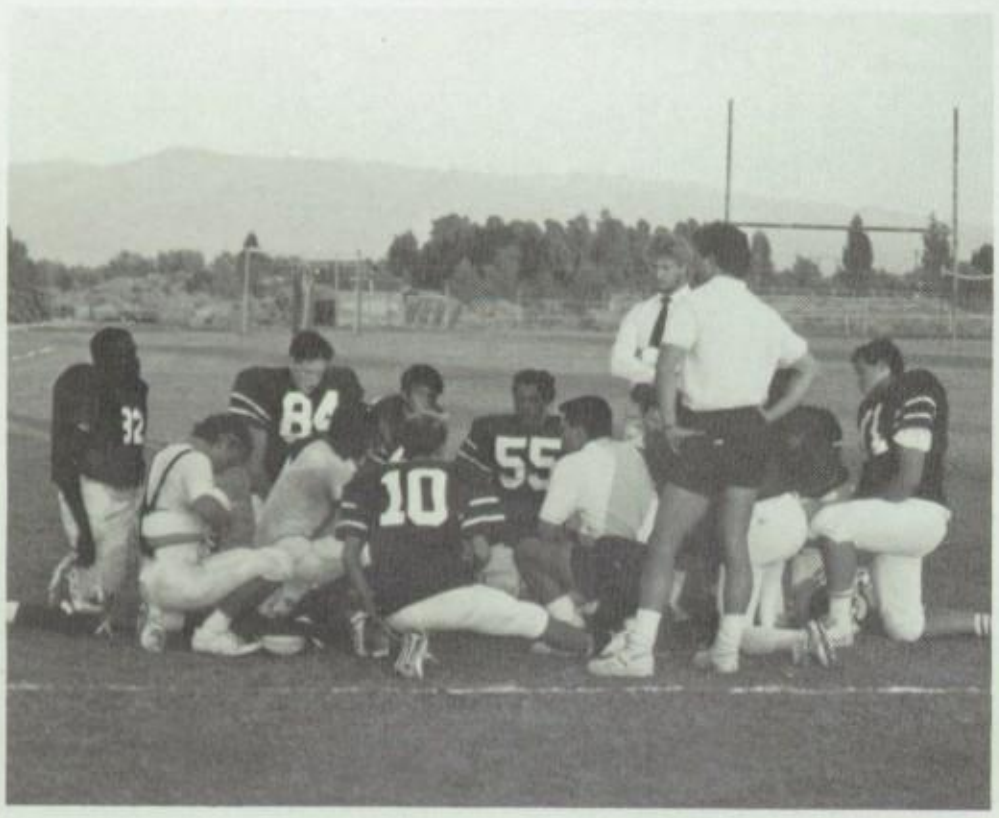
The mighty Crusaders get ready to thank God for giving them strength to help win their game in Palm Springs.



It takes two to knock down our Quarter-back, Ruben Diaz.

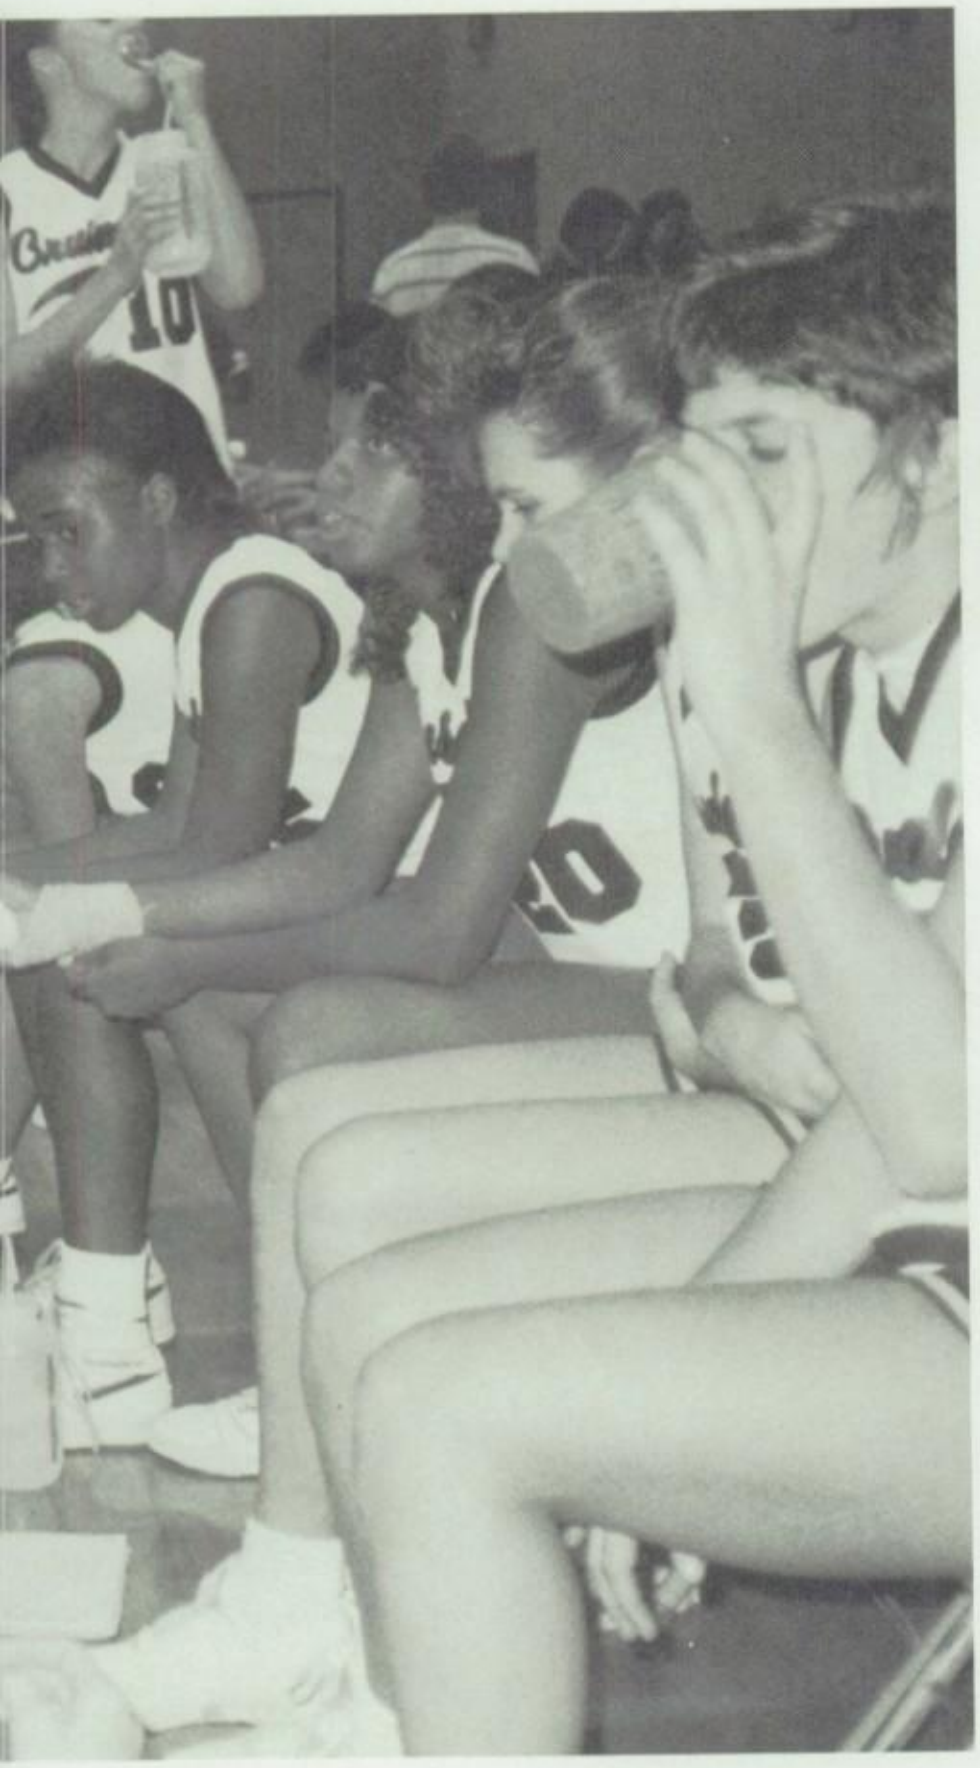
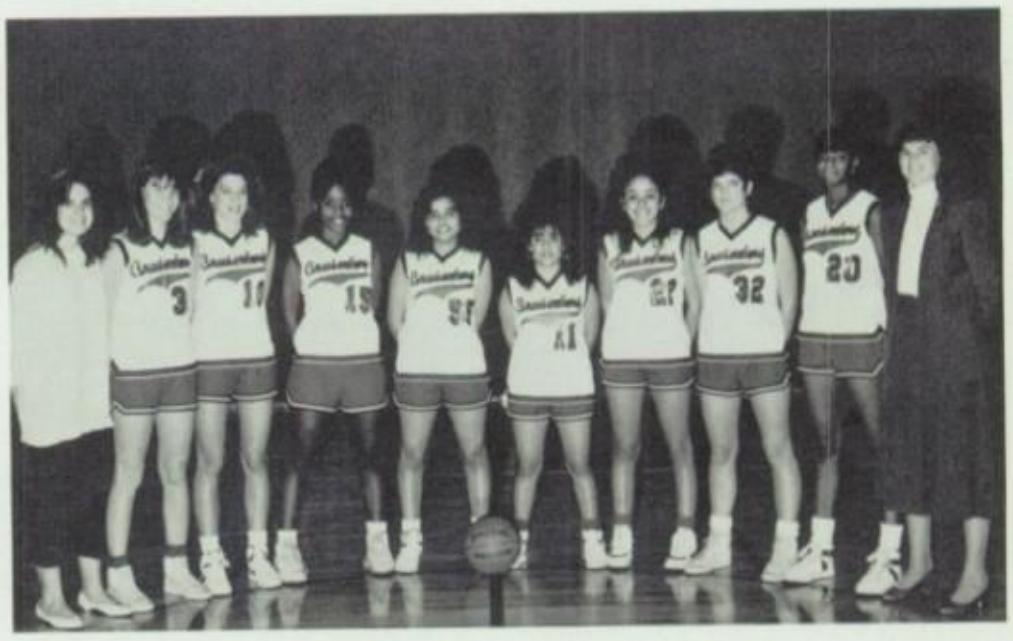
Stephanie Sanchez and Marchet Sparks trap their opponent. This is an example of excellent team work during a game with Harbor Christian.

Jamie Duhamel dribbles the ball against the Harbor Christian Hawks. Stephanie Sanchez tries to get open for a pass.



Sheila Wimberley, and the opposing center jump their highest for the ball, while Nicole Meraz waits for the tipped ball to come to her.

Tiffany Richardson, steals the ball from the opposing team. Janine Truscott runs to catch up with Tiffany for the pass.



Left to right: Lisa Pardon, Stacy Collins, Tiffany Ricahrdson, Marchet Sparks, Stephanie Sanchez,

Christina Garcia, Nicole Meraz, Janine Truscott, Captain: Sheila Wimberley, and Coach: Robin Roehl. Jamie Duhamel and Luanna Washington were not available for photograph.

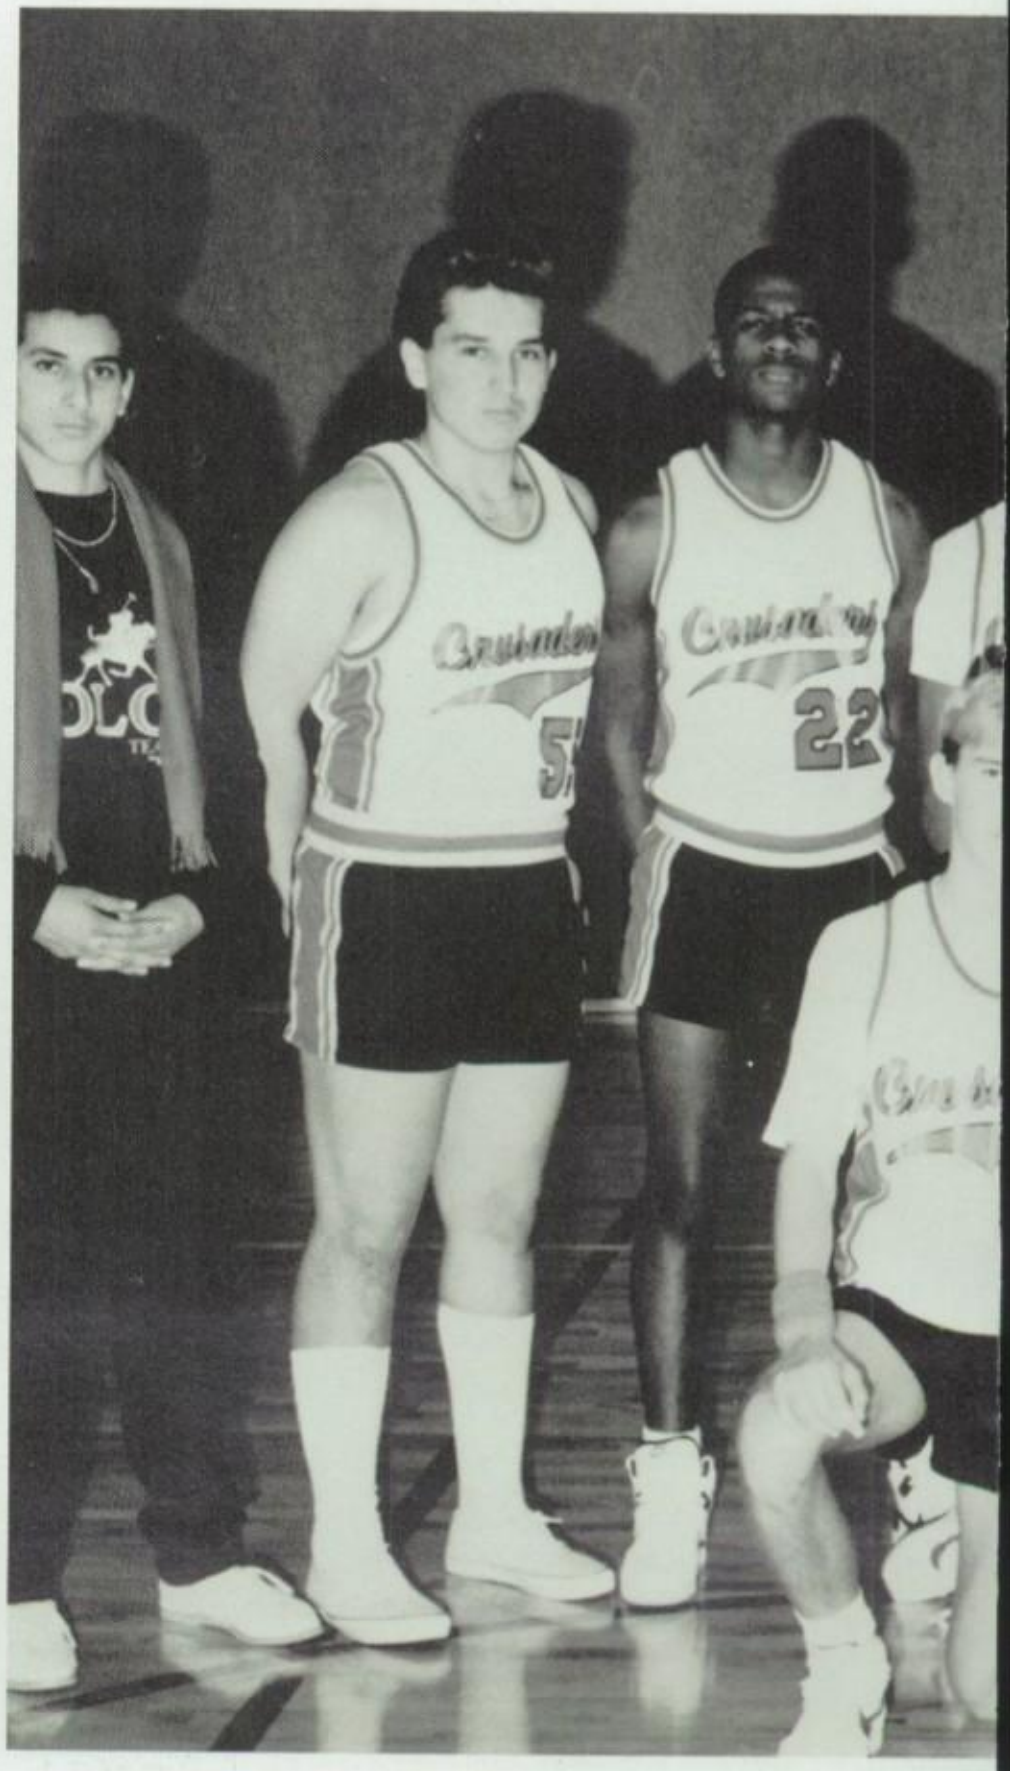
During half time, Coach Robin Roehl goes over some plays with Marchet Sparks as she gives first aid to Stacy Collins.

Janine Truscott takes a jump shot from the three point range. The Lady Crusaders and the opposing team look on as she gently swishes the ball into the basket.

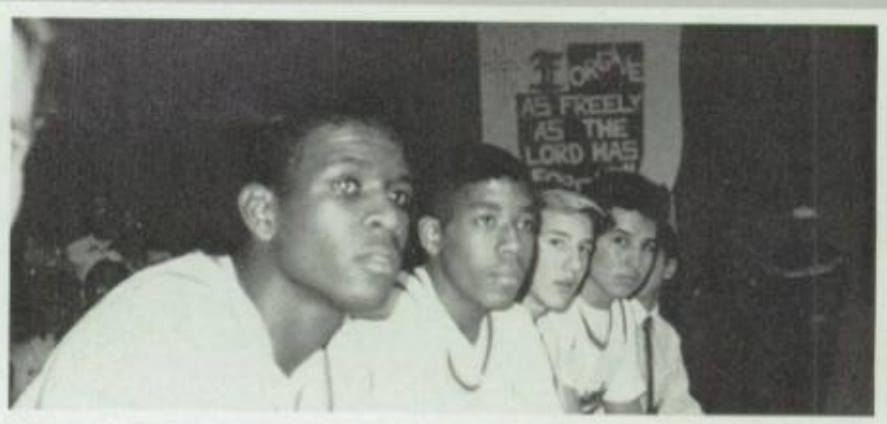
The Wilmington Christian High School Basketball Team.

Ruben Diaz makes a sudden V-cut towards the ball in order to lose his opponent.

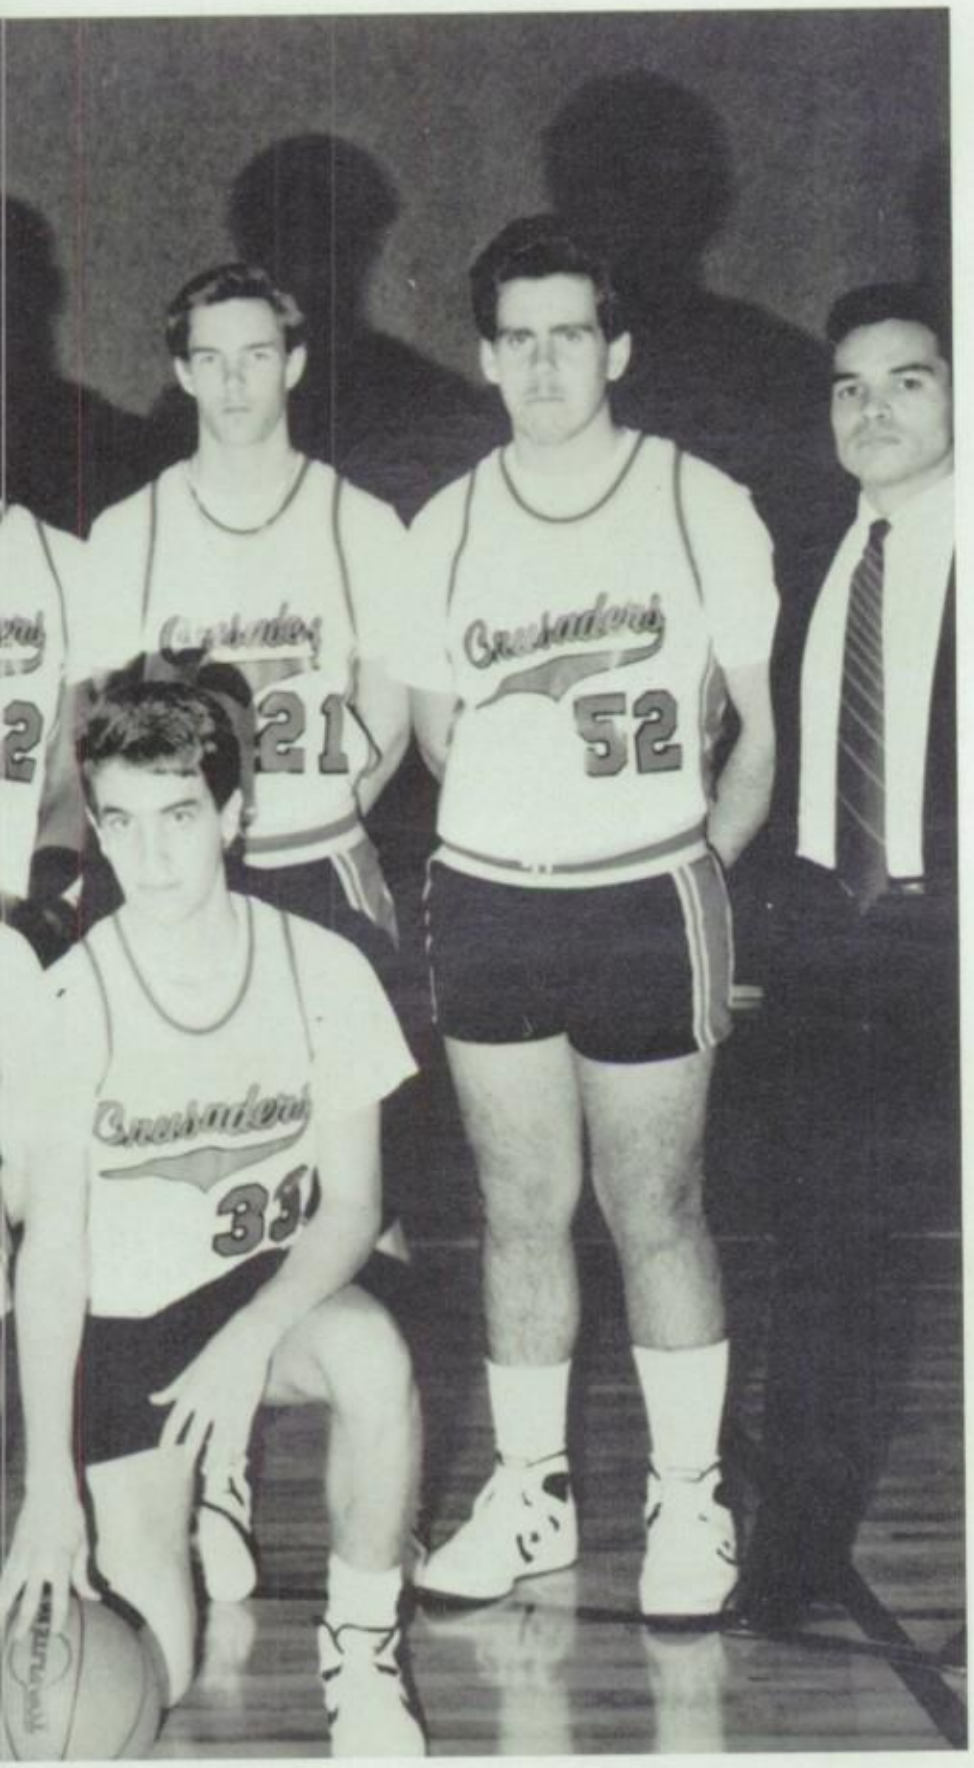
Nathan Bergman receives the pass and immediately sets up in his ready position to attempt his favorite shot.



After the Crusader line-up was introduced, the team walked off to get ready to win Pioneer Baptist, which was our last game and also our Homecoming game.



The guys sit at the end of their seats because the game is getting pretty tough out there!!!



CRUSADERS BASKETBALL TEAM

Do you not know that those who run in a race all run, but only one receives the prize? Run in such a way that you may win. And everyone who competes in the games exercises self-control in all things. They then do it to receive a perishable wreath, but we an imperishable. Therefore I run in such a way, as not without aim; I box in such a way, as not beating the air; but I buffet my body and make it my slave, lest possibly after I have preached to others, I myself should be disqualified.

KIDDIE KORNER

Sometimes we under estimate the power of the elementary students. As we all know, being a kid isn't as easy as we make it out to be.

School isn't all fun and games, but when it comes to becoming mature adults this is where it starts.

Jesus said, "Let the children come to me, and do not hinder them; for to such belongs the kingdom of heaven." Matthew 19:14

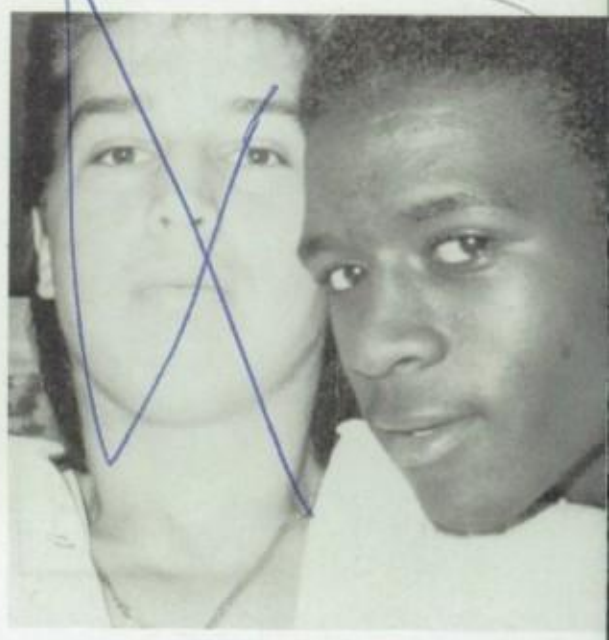
Who's Host?



IT'S A WILD WORLD . . .

EEEEEEEEEEEEEEEEEEEEEEEEEEEK!

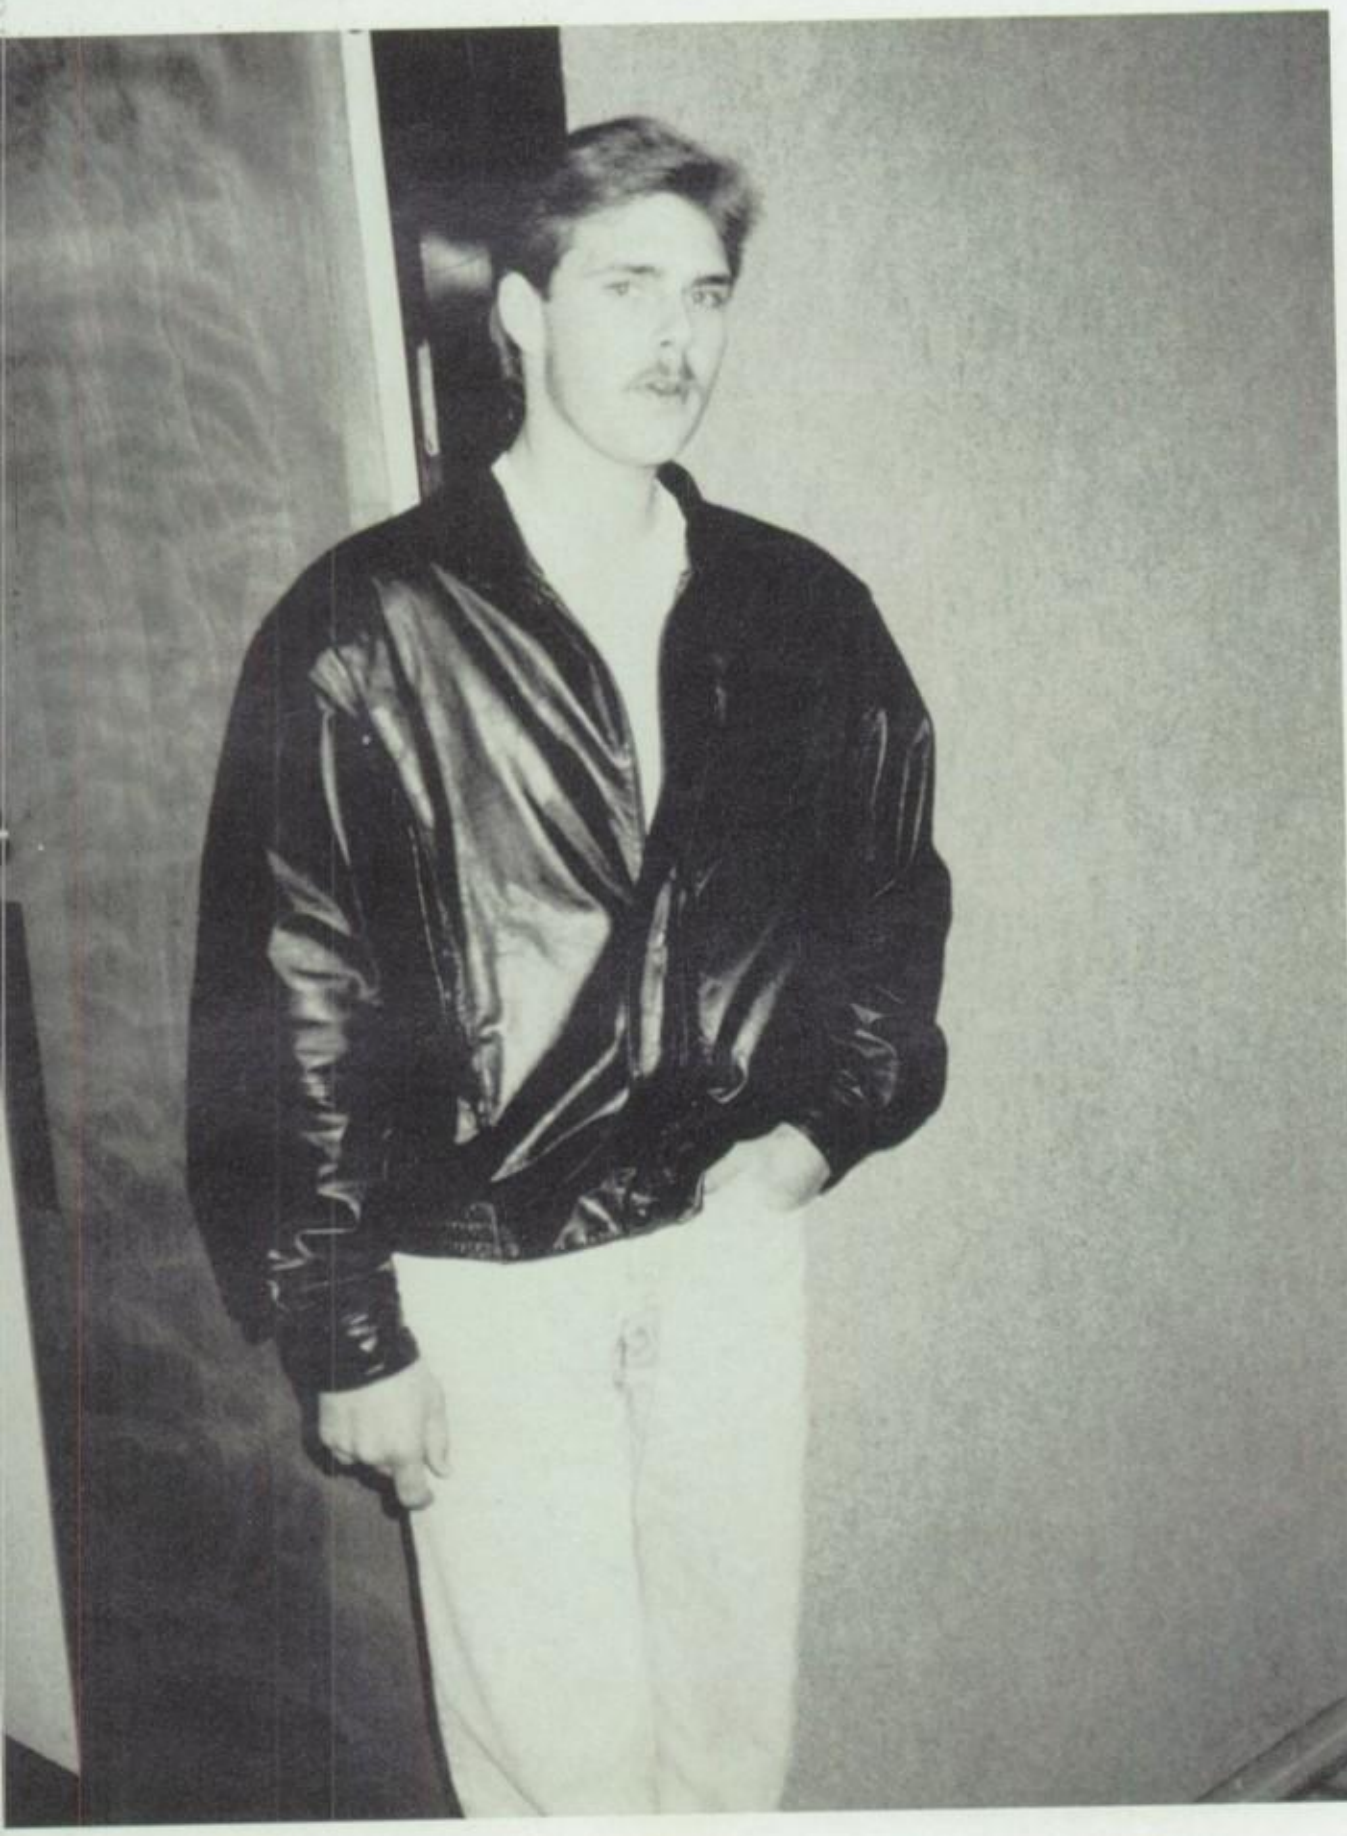
Ah! The poor Old girl got wet! What happened Janine, did your mama forget to show you how to drink water from a cup?

So! Where's the girls? "Man Nathan," I thought you said the girls were going to be here? Umph! Some party!

Ah! What a boring day! What should we do Julius? "Exactly what we're doing now, Jeff," Absolutely Nothing! GRRRRRRR!

To Starla
I hope you have a nice summer and glad to have met you! Pedro Robert

Super sonic motivating rhymes are creating, everybody knows our cheerleaders are devestating. 'Cause they're the home chicks that are rock'n our school. Super Cheers! HA!



Yo, Baby, What's up!

Another day, another hour, another girl, another curl!!

GIVING IT THEIR ALL!

"It has been my pleasure to serve as Athletic Director of Wilmington Christian School. I believe our school has been represented well by a fine group of student Athletes dedicated to being the best. There have been many down moments which will be quickly forgotten; there have been many more bright moments which will be long remembered."

Coach Marmelstein, narrates the next two pages with some words of wisdom:

Regardless of our win/loss records, I believe our sports program has been a "laboratory of life" where we have learned to strive, to sacrifice, to love, to overcome defeat and to celebrate victory with humility.

Success in the eyes of the world means winning at any cost, money and fame. I hope that our program would define "success" in a different way- winning with character; being able to accept and love one another; and developing young people into decent human beings.

God has blessed our school tremendously. These athletes have laid a foundation. Let our prayer be that we will continue to represent Christ in a worthy manner here at Wilmington Christian.

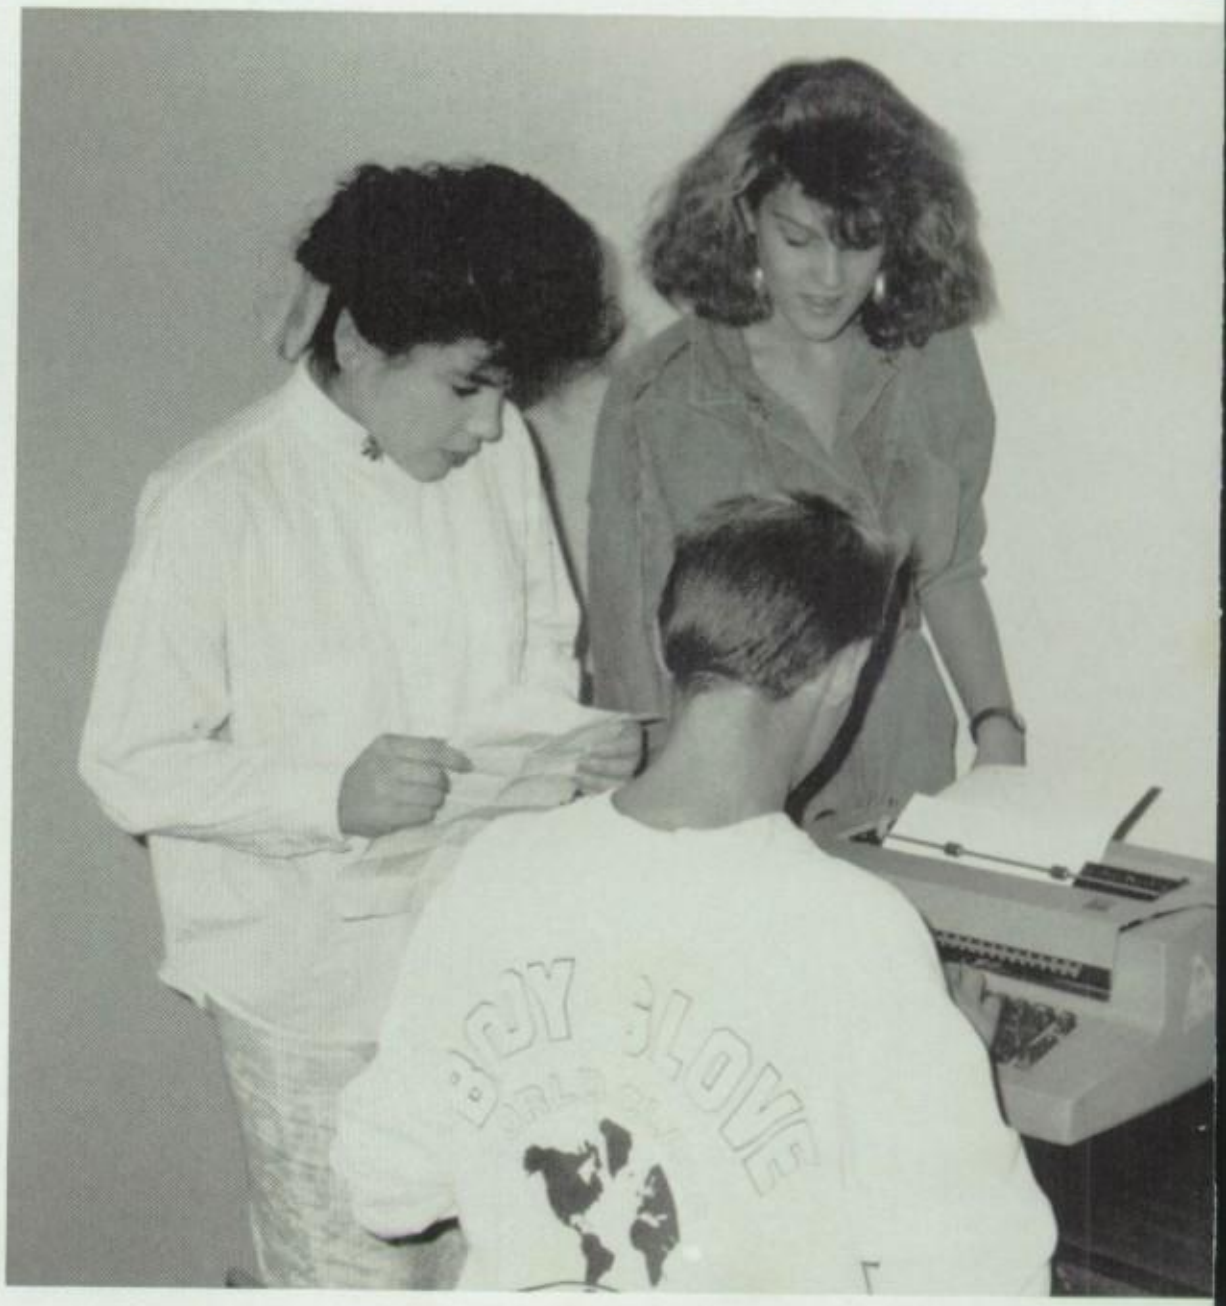
JOURNALISM STAFF

Janine Truscotts relaxed pose hides the fact that a lot of hard work goes into each issue of the famous Christian Crossroad newspaper.

Ryan Nakamura and Stacy Collins diligently work to meet an upcoming deadline.

D.G. Jones and Tiffany Richardson prove that lasting friendships are formed through hard times and teamwork.



Top right: Connie Loubriel and Tiffany Richardson come to Daniel Jones rescue. In order to produce a better paper, the staff has learned that three heads are better than one.

Kellie Estrada, Sheila Wimberley, and Connie Loubriel select pictures, write copy, and design layouts for the Crusader yearbook.

Sometimes the stress of meeting deadlines, and writing copy calls for a light moment. Joann Howard takes a break from pasting up, to play footsie with Janine Truscott.

Starla Grosse sneaks over Kellie Estrada's shoulder to get an idea for her article in the Christian Crossroad newspaper.
